

### Information you have to keep in mind before the meeting:

1. It is necessary for entry to France: your **Passport** must be valid at least for three months from arrival date.
2. **Medical Insurance** is mandatory in France for all the time of your stay. **Let's hope you will not have to use it.** Bring all your **medicine** with you. (It is recommended to have photocopy of your last prescriptions from your doctor). Medicine in France is very expensive. Carry the necessary medicine, in France medicine is expensive.
3. For **personal expenditures** you should have **euros** with you. It is the currency used in France. You better exchange it in your country. And avoid money exchange at the airport because the rates are inconvenient there. Neither the Motherhouse nor the CIF changes foreign currency.
4. You are coming to France in autumn. Weather in Paris will change often, usually it rains often. Be prepared for some cold days. Bring normal clothes and some warm clothes. Also, bring umbrella and raincoat.
5. You will make a big in number group. Accommodation will be prepared in neighboring house for you. Therefore, you are requested to arrive not earlier than on November 18 or 19 in the morning. Departures can start on December 1 in the afternoon, but most of you will leave on December 2. Rooms in the Motherhouse and other house are already booked for other people. You cannot extend your stay.
6. During the session at CIF we will have tours in groups and some personal leisure time to visit important sites in the city or do some shopping.
7. The Meeting will be conducted in three Languages: Spanish, English and French, with simultaneous translation.
8. The cost of the participating in the session is **800 Euros**. It includes: accommodation, meals, lectures, pilgrimages and materials. It will help for the tickets to the provinces that really need it. We ask the Visitors as much generosity as possible to pay for this course. Provinces which need support to pay for airfares will be helped. We ask the Visitors for as much generosity as possible to pay for this session.
9. In your country you have to check out if you need a visa to travel to France. If you need visa it is important to obtain it in advance of your trip. It's simpler if you do not need visa to come to France.
10. Filling out the forms which are enclosed is necessary. Please, send them for registration quickly. It is always the best if you do things on time.
11. In the same manner you have to send to us (as PDF file) a scanned or photographed pages of your passport with personal information (first two pages)
12. The deadline for registration is October 26, 2018
