To the Visitors and Vice-Visitors of the Congregation of the Mission

Dear confreres,

May the grace and peace of Jesus be always with us!

On 10 April, I sent a circular letter to all the Visitors to the CM asking them to send me the following three pieces of information by 15 May:

• The General Plan for Initial Formation being implemented at the provincial, interprovincial, or international level of which your province or vice-province is a part.

• The General Plan for the Formation of Formators being implemented at the provincial, interprovincial, or international level of which your province or vice-province is a part.

• The General Plan for Pastoral Work for New Vocations being implemented presently at the provincial, interprovincial, or international level of which your province or vice-province is a part.

So far, I have received replies from 15 Provinces and Vice-Provinces out of 43. Therefore, by this letter, I again ask you for this information no later than 31 May, so that I can discuss it with my Council in the next Tempo Forte of June.

Your brother in Saint Vincent,

Tomaž Mavrič, CM
Superior General
